The Partners' CV

- › INTRODUCTION AND CV
- › SOME EXAMPLES OF PREVIOUS PROFESSIONAL EXPERIENCE

Our Qualifications?

› The directors of 3R Design Directors Jim Burroughs and Karmen Brenton graduated from Nottingham Trent University (UK) and the University of Technology (Sydney) respectively – both with First Class Honours in Interior Architecture and Design.

Technical skills?

› We use Vectorworks CAD programme along with Adobe Illustrator, Photoshop and Indesign packages to produce our presentation and documentation. We understand the Building Code of Australia, Australian Standards and relevant industry codes to ensure compliance of the project.

Our previous professional experience?

› Before starting up 3R Design in 2001 the directors of 3R Design have previously worked with leading hospitality, commercial, retail and residential design consultancies in London, the UK and Sydney. These include Cox Richardson Architects, Vickery Oldman, Cobalt Design Consultancy, Parr Walker and Associates, Metropolis, Watermark, HBO + EMTB and Landini Associates. During this time, working with these other agencies, we have worked on various well known fit outs such as Duntroon Royal Military Academy (Canberra), McKinsey and Company-offices (Australia), New England Art Museum (Armidale), AME Private Hospitals (Australia), Star City (Sydney), Canyon Restaurant (London), Congress Private Restaurant (London), IT Works-warehouse IT retail stores (UK), Watch2Watch-rollout (UK), Active Venture-retail stores (UK), Blacks Outdoor-retail stores (UK), Safeway Cafe-roll out (UK), BT-Business Solutions-roll out (UK), The Factory-outlet warehouse stores (Europe), Sportsworld-retail stores (Australia), Souvenirworld-retail stores (Australia), Terrace Tower Group (Sydney), National Museum of Australia (Canberra), Shell-service stations (Australia), David Jones-Food Chain (Australia), Botanical Gardens Restaurant (Sydney), Cruise and POSH-restaurant/bar (Sydney).

Need more information?

› The simplest way to contact us is to email info@3rdesign.com.au and provide contact details and we will get back to you.
